Prompt Settlement.

The policy for \$300 on J. F. Webb's household effects which was destroyed by fire and which was written by our local agent, A. T. Whitt has been settled in full. L. B. Manson state agent and adjustor for the Aetna Fire Insurance was here Tuesday from Louisville and paid Mr. Webb over the cash in full the amount of the policy. This manner of settlement is quite out of the ordinary, as usually the insurance companies keep the insured out of their money after a fire about as long as possible, or else get a discount off, but in this case it was different, no time was asked nor any discount requested. The cash was ready coming which speaks well for both Mr. Whitt the agent, and company which is the largest fire insurance company in the United States.

Aderson-Forkner.

Mr. Grover Anderson, of North Bend, and Miss Elva Forkner, daughter of Lloyd Forkner, were married at the residence of the bride's father at Stanton Tuesday, February 27th, at 3:30 o'clock p. m. in the presence of a number of guests, Rev. R. A. Ir-

vin officiating. The young couple left on the West bound train for a short bridal trip to Lexington, and returned Wednesday afternoon to be entertained at the groom's home.

Death of Mrs. Clark.

Mrs. Margaret Clark, wife of J. F. Clark, died at her home in this county last Thursday morning, after a lingering illness of cancer of the stomach. The remains were interred in Macedonla graveyard, brief services at the grave by Rev. J. R. Hobbs. Deceased was 64 years old and an excellent woman. We extend sympathy.—Mt. Sterling Gazette.

Judge Riddell Vacates the Bench.

Circuit Judge Riddell Tuesday decided to vacate the bench at Jackson in the case of James Hargis, Ed Callahan and others

charged with the murder of J. B. Marcum. The defendants were ordered into custody of the Jail, a special Judge to try the case and the vacancy on the bench will be certified to Gov. Beckham for the appointment of a special Judge to try the case.

News reached here yesterday of the death of Rev. Van B. Daughetee at his home in Clark county the day before. He is a brother-in-law to W. J. Christopher, Sr., of this place, and has other relatives in the county. He will be buried today at Dunaway's Chapel, in Clark county.

Bro. Daughetee is a well-known Methodist minister and has preached much in this community in past years.

Presidential Possibilities.

It's getting along about that time of the political calendar when Presidential possibilities are talked about, so I am going to get in line and have my say. If my good fellow Democrats throughout this country were in touch with matters political as closely as I am, I could make an accurate prediction as to our next nominee. The Democratic party is in the hands of a lot of political pirates, and our first effort must be directed to saving the party from these Wall street cut-throats, whose sole object is to rob the people and enrich themselves at the expense of our National party. It's high time to wake up and pave the way for the nomination of an honest Democrat, to lead us to victory at the polls. That kind can't be found in New York, nor anywhere else where Ryan and Belmont have control of things. We have a winner in our party, one whom we know to possess all those qualifications to be desired in a champion of the people. That's Senator Charles A. Culberson of Texas. Lots all get busy lining up for him, and show our Republican friends at the next election what the Democrat can do with a real man at the head of their National ticket. With his name there we will win.

With the Republicans, its different. Nobody can tell what the trusts and corporations are going to do until they do it. But from present indications, it looks as though the man on the inside track for the Republican nomination is Senator Foraker, who is rapidly forging into publicity by his attitude on the railroad rate bill and statehood fight. This is just a guess. Its too soon to say. C. A. E.

Alice is Married.

Well, Alice got married last Saturday. There was a whole lot of noise about the affair too. Her wedding outfit cost \$11,400.00; yet many girls whose outfit does not exceed \$11.40 is of more worth to the world figured on a basis of "the good they can do." The White House bride and her lord spent three days at a country home near Washington, then slipped across the country in an automobile and took the train at a country station for Tampa, Fla., where they sailed for Cuba to spend the remainder of their honeymoon. Presents to the value of a million dollars showered in on the couple, likely most of them given for ostentation or hope of some office or other emolument. How ridiculous the whole affair!—Miami (Texas) Chief.

Married—Roosevelt-Longworth At the White House, February 17, 1906, Alice Lee Roosevelt, daughter of the President, to Nicholas Longworth of Ohio, Bishop Satterlee officiating, Oyster Bay and Cincinnati papers please copy.

Washington could play a strong card in promoting marriage, if the President would just turn over the East room to all wedding parties.

BEAUTIFY YOUR HOME WITH Kinloch PAINT

Important Memorandum—The painter at the most important factor in painting. A job completed by a good painter will be the best quality of paint, making up \$10.00 (\$50.00 labor, \$20.00 paint) will last five years. The same paint applied by a shabby (\$20.00 labor, \$10.00 paint) will last only one year. Then the "per-paint" job is \$10.00—the good painter's \$20.00.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint—buy only Kinloch HOUSE PAINT

There's one indisputable reason why, a reason every honest painter will acknowledge—"The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend its use for every good reason we know.

If You ARE A Democrat

Or if You are not You will want to read

Bryan's Commoner.

ON MARCH 17 The Commoner announced the Primary Pledge organization plan. This plan provides for Democrats to sign a pledge, binding themselves to attend all primaries of their party between now and the national campaign of 1908. It is a practical method for the organization of the party by the rank and file, in order that it may prove true to its name and be the efficient servant of the people in the establishment of reform. A little investigation will convince you that the Commoner has hit upon a feasible and effective method of persuading Democrats to participate in the councils of their party.

These pledges are pouring into the Commoner office by the thousands, where they are carefully filed by state, county and voting precinct.

If the same interest manifested in this work during the past four months is maintained during the next two years, the total membership will exceed four million Democratic voters.

The Commoner is issued weekly, subscription \$1 a year. By special arrangements, for a short time only, we offer the Clay City Times and The Commoner one year both for \$1 10.
